May your spirit govern the atmosphere of this honorable house. Place in each representative a passion to serve the state and compassion to serve your people. Let us remember your precepts and commandments of justice, faith, love, and peace. Let each representative understand the reason and purpose for which you called them to be participants in this honorable task.

During the difficult times that our world is going through, make us sensitive to your voice. Do not let pride, arrogance, greed, or our wrongful desires control our hearts and minds. Open our spiritual eyes and ears to see and hear beyond the simple and to do your perfect will.

ADDRESS BY REPRESENTATIVE ROSE

The chair recognized Representative Rose who addressed the house, speaking as follows:

Members, could I please have your attention, because this is a very serious issue, and I really believe that this body can do something to assist with this issue. Most of you know that this past weekend, a 15-year-old unarmed teenager was shot by another police officer. Now, members, I know that we honor and respect our police officers, and we honor those who serve. But this body must do something to assist with these tragic incidents that continue to happen in our community.

Jordan Edwards was a 15-year-old leaving a party with his brother, a 16-year-old who was driving the car, when a police officer shot through his vehicle with a rifle. Now, members, most of you, if you've heard this story, at first the officer stated that they were driving aggressively toward him, but thankfully, because this body has passed appropriations where all of our police officers will have body cameras, the camera showed differently. But members, we must continue to do more. Currently, there is legislation pending that would assist with these types of incidents, and I just ask you to make sure that you support these initiatives. We cannot continue to let our communities face these types of incidents. I also ask that today, when this body adjourns, that we adjourn in memory of 15-year-old Jordan Edwards, who was a 15-year-old freshman shot in the back of the head, a 15-year-old minding his own business, leaving a party. Again, we honor our servicemen, but again, we still have to make them accountable, and we have to pass laws that would assist in stopping these incidents.

Mr. Speaker, thank you for allowing me to make these comments. I did speak with the mayor. The community is coming together. One of the things I can say about Balch Springs, the chief has done an outstanding job with this incident. Once he found out the true story, the officer who shot the young man was fired. But again, members, we have to do something in this body, because we're the ones who make the laws. So we're going to have to do something to stop these incidents.

REMARKS ORDERED PRINTED

Representative Giddings moved to print remarks by Representative Rose.

The motion prevailed.

HB 501 - (consideration continued)

Amendment No. 5

Representative Bell offered the following amendment to **HB 501**:

Amend **HB 501** on third reading as follows:

(1) In the recital to SECTION 1 of the bill, strike "Subsections (e) and (f)" and substitute Subsections "(e), (f), and (g)".

(2) In SECTION 1 of the bill, following added Section 572.023(f), Government Code, add the following:

(g) An individual who complies with any applicable requirements of Sections 51.954 and 51.955, Education Code, and Section 2252.908 of this code, in an individual capacity or as a member or employee of an entity to which those sections apply, is not required to include in the account of financial activity the information described by Subsection (b)(15) unless specifically requested by the commission to include the information.

The following bills were laid before the house as postponed business:

**SB 259 ON SECOND READING
(Neave - House Sponsor)**

SB 259, A bill to be entitled An Act relating to jury summons questionnaires.

SB 259 was considered in lieu of **CSHB 1755**.

SB 259 was read second time and was passed to third reading.

CSHB 1755 - LAID ON THE TABLE SUBJECT TO CALL

Representative Neave moved to lay **CSHB 1755** on the table subject to call. The motion prevailed.

**CSHB 1102 ON SECOND READING
(by Hernandez)**

CSHB 1102, A bill to be entitled An Act relating to providing a telephone number for certain governmental purposes.

CSHB 1102 was read second time on May 2 and was postponed until 9 a.m. today.

CSHB 1102 - POINT OF ORDER

Representative Rinaldi raised a point of order against further consideration of **CSHB 1102** under Rule 8, Section 1(a) of the House Rules on the grounds that the bill caption is inaccurate.

The chair overruled the point of order and submitted the following statement:

Rule 8, Section 1(a)(1) of the House Rules requires that the bill contain a caption "that gives the legislature and the public reasonable notice of the subject of the proposed measure." **HB 1102**'s caption reads: "relating to providing a telephone number for certain governmental purposes." Specifically, Representative Rinaldi argues that "certain governmental purposes" is too broad to give notice of the bill's subject. **HB 1102** allows an applicant's phone number to be used for a number of purposes including (1) reconstituting a jury wheel, (2) for notifying the registrar of the applicant's status, (3) to furnish to the secretary of state a current voter registration list, (4) and to be included on jury wheel cards. Additionally, (5) telephone numbers of a federal judge or state judge may not be included nor can (6) the Department of Public Safety charge a fee for furnishing a list of applicant telephone numbers. Each of these six governmental

purposes is properly contained in the caption. Having reviewed the bill, the chair concludes that the caption complies with Rule 8, Section 1(a) of the House Rules. The point of order is respectfully overruled.

CSHB 1102 failed to pass to engrossment by (Record 690): 48 Yeas, 90 Nays, 1 Present, not voting.

CSSB 507 ON SECOND READING
(Frunlo and Collier - House Sponsors)

CSSB 507, A bill to be entitled An Act relating to mediation of the settlement of certain out-of-network health benefit claims involving balance billing.

CSSB 507 was considered in lieu of **HB 1566**.

CSSB 507 - POINT OF ORDER

Representative Tinderholt raised a point of order against further consideration of **CSSB 507** under Rule 4, Section 32(c)(3) of the House Rules on the grounds that the bill analysis is incorrect.

The speaker overruled the point of order and submitted the following statement:

Representative Tinderholt argues that page 3 of the bill grants new rulemaking authority to the Teacher's Retirement System, so the bill analysis's statement that the bill does not grant additional rulemaking authority is incorrect. **CSSB 507** states that "The commissioner, the Texas Medical Board, any other appropriate regulatory agency, and the chief administrative law judge shall adopt rules as necessary to implement their respective powers and duties under this chapter." Representative Tinderholt urges that this provision grants new rulemaking authority to the commissioner. However, this provision merely references and provides requirements for the exercise of the commissioner's existing rulemaking authority found in section 531.0051(e) of the Government Code. Because the bill does not contain a new, independent, express delegation of rulemaking authority, the bill analysis does not violate Rule 4, Section 32(c)(3) of the House Rules. See 84 H.J. Reg. 1612-1613 (2015) (Walle point of order on **CSHB 1690**); 83 H.J. Reg. 4053-4054 (2013) (Schaefer point of order on **SB 1079**).

Amendment No. 1

Representative Rinaldi offered the following amendment to **CSSB 507**:

Amend **CSSB 507** (house committee printing) by adding the following appropriately numbered SECTION to the bill and renumbering subsequent SECTIONS of the bill accordingly:

SECTION _____. Section 1456.001(1), Insurance Code, is amended to read as follows:

(1) "Balance billing" means the practice of charging an enrollee in a health benefit plan that uses a provider network to recover from the enrollee the balance of a non-network health care provider's fee for service received by the enrollee from the health care provider that is not fully reimbursed by the enrollee's health benefit plan. The term does not include charging for:

(A) any deductible, copayment, or coinsurance amount for which the enrollee is obligated under the health benefit plan; or

(B) any amount the health benefit plan is obligated to reimburse the enrollee or to pay on behalf of the enrollee for service received by the enrollee from the health care provider.

(by Ashby, Zerwas, Huberty, Bernal, and D. Bonnen)

CSHB 3976, A bill to be entitled An Act relating to the administration of and benefits payable under the Texas Public School Retired Employees Group Benefits Act.

(Speaker pro tempore in the chair)

(Capriglione, Gonzales, Hunter, and Schubert now present)

CSHB 3976 - STATEMENT OF LEGISLATIVE INTENT

REPRESENTATIVE TINDERHOLT: So the pre-65 folks, their deductible is \$3,000 dollars. Is that correct?

REPRESENTATIVE ASHBY: That is correct.

TINDERHOLT: And then the post-65 have Medicare Advantage plans only, is that correct?

ASHBY: That is correct.

TINDERHOLT: So in an effort to potentially encourage them to shop for Medicare plans outside the program, because it could save them money, I'd like to recommend possibly two enrollment periods during the year to encourage them to do that. And then if it doesn't work out, they could come back. I'm getting asked that, and I would have come to you earlier, but I've literally been asked five times.

ASHBY: I'm glad you asked or made that point. That is something TRS can do. That's not something we have to have in the bill. TRS decides the open enrollment period for the TRS-Care plan, and that's certainly on the table.

TINDERHOLT: So for legislative intent, and I'll ask this to be recorded in the journal, TRS can do that without having us have to put that in the bill. They can have two enrollment periods for this.

ASHBY: That's correct, and I would fully support that.

TINDERHOLT: I'm going to support this bill, and I appreciate you bringing it forward.

REASON FOR VOTE

I was shown voting yes on **CSHB 1917**. While I believe in free market, with the transfer of authority from HHSC to DFPS, kinship care, and public-private partnership of DPS and foster care all at the same time, changing pharmacy and distribution process is untimely and potentially dangerous. Too much too fast.

SB 1003 was considered in lieu of **HB 2370** earlier today, was read second time, and was postponed until this time.

SB 1003 - STATEMENT OF LEGISLATIVE INTENT

REPRESENTATIVE COLLIER: I just want to make sure that we have it clear on the record that AT&T, or whoever is doing the lifeline program, is going to allow the current customers in the program to keep their same phone numbers, and

they're going to help them find new providers to get connected with a new provider. They're going to make sure that they find other providers that are in the lifeline program.

REPRESENTATIVE PADDIE: Absolutely, Ms. Collier. There are other providers, and these customers will receive notice. They will receive assistance in connecting with those other options.

REPRESENTATIVE BLANCO: Just a quick question, how are the telephone customers who are going to be affected by this bill being notified by the change, and how will they learn about their options?

PADDIE: AT&T has said it will give affected customers 60-day notice through messages on their bill. So when they receive their bill, they'll receive that notice. I will also add that they have agreed to reach out to us as elected officials and advise. As constituents may call in, they're willing to have those forwarded to them, and they'll show them those options. So they will absolutely assist them in every way in making sure that they can find those options if they would like to continue that service.

BLANCO: Great, and it will be two mailing cycles? They'll get two notices in two of their billing cycles in the mail?

PADDIE: Let me see here. I believe that is correct, Mr. Blanco, but I don't want to tell you incorrectly. I do believe that is correct, Mr. Blanco.

SB 1003 was passed to third reading.

HB 2334 ON SECOND READING
(by Oliverson)

HB 2334, A bill to be entitled An Act relating to the imposition of a criminal penalty for the violation of a rule adopted or order issued under the Flood Control and Insurance Act.

HB 2334 - POINT OF ORDER

Representative Stickland raised a point of order against further consideration of **HB 2334** under Rule 8, Section 1(c) of the House Rules on the grounds that the bill caption is inaccurate.

The speaker overruled the point of order and submitted the following statement:

HB 2334's caption reads "relating to the imposition of a criminal penalty for the violation of a rule adopted or order issued under the Flood Control and Insurance Act." Representative Stickland asserts that this caption violates Rule 8, Section 1(c) of the House Rules, which requires bills "that would create a criminal offense, increase the punishment for an existing offense or category of offenses, or change the eligibility of a person for community supervision, parole, or mandatory supervision" to "include a short statement at the end of its title or caption indicating the general effect of the bill on the offense, punishment, or eligibility."

Representative Stickland argues **HB 2334**'s expansion expressly creates a criminal offense. This is incorrect. **HB 2334** amends the Water Code by expanding the application of an already existing penalty to include people who violate rules adopted under the same subchapter. Because **HB 2334** only expands the application of an existing penalty and does not create a criminal offense or increase a criminal penalty **HB 2334**'s caption complies with Rule 8, Section 1(c). The point of order is respectfully overruled.

Amendment No. 1

Representative Oliverson offered the following amendment to **HB 2334**:

Amend **HB 2334** (house committee report) on page 1, line 9, between "subchapter" and the period, by inserting "in regard to a property located in a county with a population of more than 75,000".

Section 1101 et seq.). The questions must be presented in a multiple-choice format.

(f) The commissioner shall adopt rules regarding the administration of the civics test. The rules:

(1) must require:

(A) the test to be administered electronically in the presence of a teacher, teacher's aide, proctor, or campus testing coordinator and be scored by that person or by the school district; and

(B) the results of the test to be submitted to the agency not later than the last instructional day of the school year in which the test is administered; and

(B) limit the number of attempts a student may make to perform satisfactorily on the test.

(g) For purposes of the public school accountability system, a reference in this code to an assessment instrument under Section 39.023(c) includes the civics test. Performance at the level required under Subsection (c) of this section is considered satisfactory performance for purposes of Section 39.0241(a), and the commissioner shall determine the level of performance considered to indicate college readiness for purposes of Section 39.0241(a-1). REASON FOR VOTE

CSHB 515 reduces the number of end-of-course testing; therefore, I support it. I, however, believe it does not go far enough. The teachers and parents have continually asked us to eliminate this kind of testing altogether, and I believe they are correct to ask us to do so. The 85th Session is not yet over. We still have time to eliminate high-stakes testing. Texas students, Texas parents, and Texas teachers deserve better.

Amend **HB 3237** (house committee report) by adding the following appropriately numbered SECTION to the bill and renumbering subsequent SECTIONS of the bill accordingly:

SECTION _____. Article 18.10, Code of Criminal Procedure, is amended to read as follows:

Art. 18.10. HOW RETURN MADE. Not later than three whole days after executing a search warrant, the officer shall return the search warrant. The officer [and] shall also [likewise] deliver to the magistrate a copy of the inventory of the property taken into his possession under the warrant. The failure of an officer to make a timely return of an executed search warrant or to submit an inventory of the property taken into the officer's possession under the warrant does not bar the admission of evidence under Article 38.23. The officer who seized the property shall retain custody of it until the magistrate issues an order directing the manner of safekeeping the property. The property may not be removed from the county in which it was seized without an order approving the

removal, issued by a magistrate in the county in which the warrant was issued; provided, however, nothing herein shall prevent the officer, or his department, from forwarding any item or items seized to a laboratory for scientific analysis.

CSHB 855 was read second time earlier today and was postponed until this time.

Amendment No. 1

Representative Capriglione offered the following amendment to **CSHB 855**:

Amend **CSHB 855** (house committee printing) by striking all below the enacting clause and substituting the following:

SECTION 1. Sections 316.093(a), (b), and (f), Government Code, are amended to read as follows:

(a) Before the comptroller makes transfers for a state fiscal year in accordance with Section 49-g(c), Article III, Texas Constitution, the comptroller shall determine whether the sum of the balance of the fund on the preceding August 31, any projected transfer to the fund under Section 49-g(b) of that article, and any projected transfer to the fund under Section 49-g(c) of that article in accordance with the allocations for the transfer as provided by Section 49-g(c-1) of that article is less than the sufficient balance adopted under Section 404.074 ~~[316.092]~~.

(b) If the sum described by Subsection (a) is less than the sufficient balance adopted under Section 404.074 ~~[316.092]~~, the comptroller shall reduce the allocation to the state highway fund provided by Section 49-g(c), Article III, Texas Constitution, and increase the allocation to the economic stabilization fund, in an equal amount, until the sufficient balance adopted under Section 404.074 ~~[316.092]~~ is achieved.

(f) Subsections (a) and ~~;~~ (b) ~~and (c)~~ and this subsection expire December 31, 2024.

SECTION 2. Subchapter C, Chapter 404, Government Code, is amended by adding Sections 404.0242 and 404.0243 to read as follows:

Sec. 404.0242. MANAGEMENT AND INVESTMENT OF ECONOMIC STABILIZATION FUND ACCOUNTS. (a) To manage economic stabilization fund investments, the comptroller shall establish the following accounts in the economic stabilization fund:

- (1) the Texas stabilization account; and
- (2) the Texas legacy account.

(b) In managing the assets of an account established under this section, the comptroller, through procedures and subject to restrictions the comptroller establishes for each account and in amounts the comptroller considers appropriate for each account, may acquire, exchange, sell, supervise, manage, or retain any kind of investment that a prudent investor exercising reasonable care, skill, and caution would acquire, exchange, sell, supervise, manage, or retain in light of the purposes, terms, distribution requirements, and other circumstances then prevailing for the account, taking into consideration the investment of all the assets of the account rather than a single investment.

(c) Section 404.024 does not apply to the investment of the assets of an account established under this section.

Sec. 404.0243. INVESTMENT OBJECTIVES AND PURPOSES OF ECONOMIC STABILIZATION FUND ACCOUNTS. (a) The investment objectives and purposes of the Texas stabilization account in the economic stabilization fund are to preserve:

- (1) the account's principal;
- (2) the purchasing power of the account's principal; and
- (3) the liquidity of the account.

(b) The investment objectives and purposes of the Texas legacy account in the economic stabilization fund are to generate earnings on the account's principal to:

- (2) provide for predictable and stable annual earnings.

SECTION 3. Subchapter E, Chapter 404, Government Code, is amended by adding Section 404.074 to read as follows:

Sec. 404.074. SUFFICIENT BALANCE OF TEXAS STABILIZATION ACCOUNT. (a) For the purpose of making the transfers of money required by Section 49-g, Article III, Texas Constitution, on or after the first day but before the 90th day of a state fiscal year, the comptroller shall determine for that fiscal year the amount of the sufficient balance of the economic stabilization fund. The amount of the sufficient balance is equal to eight percent of the certified general revenue-related appropriations for the state fiscal biennium during which the determination is made.

(b) The comptroller shall allocate and, at the time and in the manner that minimizes losses and penalties, adjust the allocation of the economic stabilization fund between the Texas stabilization account and the Texas legacy account to:

- (1) maintain a balance in the Texas stabilization account equal to the sufficient balance as determined under this section; and

(2) allocate the remainder of the economic stabilization fund balance to the Texas legacy account.

SECTION 4. Sections 316.091, 316.092, 316.093(c), and 404.0241, Government Code, are repealed.

SECTION 5. This Act takes effect September 1, 2017.
